Club trial at Dunduff farm near Knockhill 24th September 2006

A poor entry of just 21 riders turned out for the club trial at Dunduff farm near the Knockhill race circuit. The weather was a damp miserable Autumn day but this didn't dampen the spirits of the riders. 4 laps of 10 sections all on rocky outcrops were set out the previous day in dry conditions but proved to be still very rideable in the wet conditions. Outright winner Willie Gillespie, on 13 marks, was first through the sections which didn't seem to affect his score 2nd place in the expert class was Liston Bell. In the non expert class part time minder Stuart Corry lost 26 marks second place was Stephen Baird. In the over 40's class Mike Carruthers on his Scorpa won on 58 despite having an over the bars moment on the rocky section 5. Roy Scott was the winner in the novice class on 71 followed by Lee Collins. In the youth A class Lewis Bell had a great ride for 54 marks also beating his older brother. Only rider in the youth D class was Joe Dawson who rode the 2 lap modified route for 32 on his Fastrax TY80. Many thanks to the farmer who allowed us to park under cover. Our next club trial will be held on the 5th of November at Knockhill this is a change of venue to which was previously stated.

Expert: W Gillespie (ORM Sherco) 13
Liston Bell (Beta) 65

Non Expert: Stuart Corry (Gas Gas) 26
