Low turnout, but those who ventured out had a good trial.  
 Thanks to Landowner. Thanks to Willie for "the van"  
 Thanks to **all** who helped set trial up and for picking up flags → markers  
**NB** The Club actually makes a **loss** with such a low turnout, whilst we are not looking to make a huge profit we need to break even to keep the club running, to buy new section markers, punch cards etc  
 Also club members give up their own time to set trials out, and it's often the same people who end up collecting markers /flags at the end  
 SO .... Here's hoping for a better turnout at Creiff Hydro on 20th Nov!!  
 Cheers
